You are then responsible for mailing it, together with your completed application form, to ECI.

Instructions to Teacher:

This student would like to attend an ECI summer homestay programme. Please complete this form and seal it in the envelope provided to you by the student. To ensure confidentiality, please sign your name across the envelope's seal.

Our homestay programmes are designed for students who are able to accept, in a responsible, mature manner, the challenges of living abroad and working in a group. Students who need a great deal of supervision are not acceptable candidates for admission to our programme.
